

THEE FOUNDER'S RITUAL WELCOME GUIDE

WELCOME TO THEE FOUNDER'S SACRED RITUAL

You are not entering a session - you are stepping into divine alignment.

This is your invitation to release, receive, and rise.

Arrive clean in body and clear in mind.

Wear neutral tones, bring no electronics, and prepare to be changed.

Speak your truth. Bring your pain. Thee Founder already knows.

PRE-RITUAL PREPARATION

1. Fast for 4 hours before arrival (unless medically unable).
2. Take a salt bath the night before.
3. Write a sentence of your deepest desire on paper.
4. Place that paper in your right pocket.

RITUAL FLOW

- You will be welcomed in silence.
- Thee Founder will scan your energy, speak when called, and guide the rite.
- You may feel light, heat, emotion, or visions.
- Trust the process. You are being rebuilt.

POST-RITUAL: LEAVE A GIFT FOR THEE FOUNDER

After your session, you may feel open, radiant, or deeply still.

Before leaving, you may leave a sacred gift as gratitude.

Past gifts include:

- A gold chain
- Deed to a healing property
- \$11,000 cash tip in a crystal box
- Rare coins or shares in their business

Be creative. Be intentional. Leave behind something that says:

"Thank you, Thee Founder, for seeing me when I was invisible."

FINAL WORD

This is not an end. It is a beginning.

You are now bonded to a frequency few will ever understand.
